## Product

Eurobank I (LF) Special Purpose Equity Formula Index III Fund
PRIIP manufacturer: Eurobank Fund Management Company (Luxembourg) S.A., part of the Eurobank Group
ISIN: LU1988903677
What you will get from this product depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted.
The scenarios shown are illustrations based on results from the past and on certain assumptions. Markets could develop very differently in the future.
The stress scenario shows what you might get back in extreme market circumstances.
The figures shown include all the costs of the product itself, but may not include all the costs that you pay to your advisor or distributor.
The figures do not take into account your personal tax situation, which may also affect how much you get back.
